

## TOTAL ACCOUNTING AND FINANCIAL GOVERNANCE SERVICE AND SUPPORT

1

### BUDGET PREPARATION AND MANAGEMENT

We can help you effectively track income and expenses, channel resources and plan, forecast, implement, monitor, control and evaluate budget activities to ensure your financial goals are achieved.

2

### EFFICIENT AND EFFECTIVE FINANCIAL AUDITS

We use well-established procedures and rigorous quality control systems to ensure you can adhere to the latest financial laws and regulations. We are committed to a risk-based approach that allows for early disclosure of business control concerns.

3

### GENERAL LEDGER AND ACCOUNTING

Acting as your accounting department or advisor, we provide a full spectrum of services that can streamline your accounting process to ensure you have the latest best practices and access to a clean set of books.

4

### FINANCIAL PLANNING AND ANALYSIS

We work with your team to quantify strategies into meaningful financial plans that drive better outcomes. We identify initiatives and develop KPIs that help you make more informative data-based decisions.

FM Talent offers complete turn-key financial services acting as your accounting department or as a trusted advisor and strategist. We help some of the largest organizations stay financially compliant while gaining insights for better decisions.
